SUMMARY

As a recent graduate with a Bachelor's degree in Arts and a passion for web development, I am eager to embark on a career as a Front-End Developer. Proficient in HTML, CSS, and JavaScript, I possess a strong foundation in front-end technologies and a commitment to creating engaging and user-centric web experiences. During my academic journey, I have honed my skills through hands-on projects and internships, including building responsive websites and collaborating on team projects. I am highly motivated to learn and adapt to the ever-evolving world of web development, and I am excited to contribute my skills and creativity to a dynamic front-end development team.
